# ZACARY NICSINGER

## SKILLS

---

- Network Security & Threat Analysis
- Ethical Hacking & Penetration Testing
- Python
- Security Compliance & Risk Management
- Project Management & Team Leadership
- Effective Communication & Technical Documentation

## PROFILE

---

Dedicated Cybersecurity student at The University of Kansas with a strong foundation in electrical engineering. Proven ability to merge technical skills with effective communication. Experiential learning at Black & Veatch. Adept at solving problems, project management, and working with a team. Eager to increase cybersecurity knowledge in an internship setting.

## EDUCATION

---

### The University of Kansas

Expected Graduation: 12/2025  
Bachelor's Degree in Cybersecurity – Candidate  
GPA: 3.64/4.0

Relevant Coursework: Network Security, Ethical Hacking, Cryptography, Cyber Defense Strategies & Countermeasures, Risk Management, Testing Vulnerability Analysis, Security Law

Projects: Developed a simulated phishing attack to identify vulnerabilities and educate users on threat mitigation. Collaborated on a coded web application that syncs users' social media accounts (Instagram, Facebook, Snapchat, etc.) to identify and report data-tracking activity, offering personalized privacy and security recommendations.

### Blue Valley High School

Blue Valley Center for Advanced Professional Studies (CAPS)  
Focus: Electrical Engineering  
Graduated: 05/2021

## EXPERIENCE

---

### Walmart, Inc. — Entertainment Team Associate

Overland Park, KS • 06/2025 - Current

- Assist customers with technology-related inquiries (features, accessories, warranties, activation, etc.)
- Maintain and organize displays in the entertainment department: setting up new displays, cleaning/arranging, rotating stock.

### Black & Veatch — Design Engineer, Project-Based Learning

Blue Valley Center for Advanced Professional Studies

Overland Park, KS • 08/2019 - 12/2019

- Collaborated with a team of seven to redesign the basement facility.
- Utilized CAD software to draft designs.
- Coordinated tasks to keep team on schedule.
- Witnessed the high-leveled focus the Black & Veatch employees applied to their projects, providing a framework on how to structure a project successfully.

### Johnson County Library — Volunteer Clerk

Overland Park, KS • 05/2013 - 07/2018

- Organized and sorted books, magazines, and multimedia items.
- Guided computer users to troubleshoot basic technical issues.
